Statements”) in the United States Bankruptcy Court for the District of Delaware (the “Bankruptcy Court”) pursuant to Bankruptcy Code § 521 and Bankruptcy Rule 1007.

The Schedules and Statements are unaudited. They remain subject to further review and verification. Subsequent information may result in material changes to the Schedules and Statements, and because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are accurate or complete. These Global Notes and Statement of Limitations, Methodology, and Disclaimers Regarding the Debtors’ Schedules and Statements (the “Global Notes”) are incorporated by reference in, and comprise an integral part of, each and every one of the Schedules and Statements, and should be referred to and considered in connection with any review of each Schedule and each Statement.

The Schedules and Statements have been signed by the Vice Chairman of the Board of Directors of Orleans Homebuilders, Inc., Benjamin D. Goldman. Mr. Goldman prepared the Schedules and Statements with the assistance of third parties working at the direction of the Debtors. Mr. Goldman does not have personal knowledge of every item identified in the Schedules and Statements and has relied upon the work of such third parties in reviewing and signing the Schedules and Statements. Mr. Goldman and those third parties have relied upon the accuracy and integrity of the Debtors’ books and records, and it is possible that further review thereof may require amendment of the Schedules and Statements.

1. Description of the Cases. On March 1, 2010 (the “Petition Date”), each of the Debtors filed a voluntary petition with the Bankruptcy Court for relief under Chapter 11 of the Bankruptcy Code. The cases are being jointly administered under case number 10-10684 (PJW). The Debtors are currently operating their business as debtors-in-possession pursuant to Bankruptcy Code §§ 1107(a) and 1108. Each of the Debtors’ fiscal years ends on June 30 of each year. All asset and liability information, except where otherwise noted, is as of March 1, 2010.

2. Basis of Presentation. For financial reporting purposes, the Debtors prepare and file audited consolidated financial statements with the Securities and Exchange Commission annually. The Schedules and Statements are prepared on an unaudited, unconsolidated basis, reflecting the separate assets and liabilities of each of the individual Debtors. The Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles.

3. Foreign Currency. The Debtors have no foreign currency transactions. All amounts referenced in the Schedules and Statements are reflected in U.S. dollars.

4. Book Value. The Debtors do not have appraisals or valuations dated within one year of the date of the Schedules and Statement for the properties, interests, or entities detailed therein. Accordingly, unless otherwise noted, assets and liabilities of each of the Debtors are reported at the value as set forth on the Debtors’ books and records, as of the Debtors’ latest assessment (“Book Value”). Thus, unless otherwise noted, the Schedules and Statements reflect Book Value, and may not be based upon any estimate of their current market

value. By reporting the Book Value of assets, the Debtors make no representation of the value ultimately realizable on any of their assets.

5. Impairment. The Debtors generally account for real estate held for development and sale in accordance with Statement of Financial Accounting Standards No. 144, "Accounting for the Impairment or Disposal of Long-Lived Assets" ("SFAS 144"). SFAS 144 requires that long-lived assets be reviewed for impairment whenever events or changes in circumstances indicate that the carrying value of the asset may not be recoverable. When impairment is indicated, the Debtors estimate the fair value of inventory under SFAS No. 144 based on current market conditions and current assumptions. The impairment loss is the difference between the Book Value of the assets and the estimated fair value determined on a discounted cash flow basis.

6. Estimates. To close the books and records of the Debtors as of the Petition Date, the Debtors' management was required to make estimates, allocations, or assumptions that affect the amounts of assets and liabilities as of March 1, 2010, and reported revenue and expenses for the period ending March 1, 2010. Claims on the Schedules and Statements set forth the Debtors' estimate of most claims of creditors, and the actual unpaid claims of creditors that may be allowed in these cases may differ from the amounts set forth in the Schedules and Statements. Any failure to designate a claim on the Schedules and Statements as disputed, contingent, or unliquidated does not constitute an admission by the Debtors that such amount is not disputed, contingent, or unliquidated. The Debtors reserve the right to dispute or to assert offsets or defenses to any claim reflected on the Schedules and Statements as to, among other things, amount, liability, or classification or to otherwise subsequently designate any claim as disputed, contingent, or unliquidated.

7. Leases. The Debtors have not included in the Schedules and Statements any future obligations on any leases. To the extent that there was an amount due as of the Petition Date, the creditor has been included in Schedule F. Unless otherwise stated, all lease agreements have been included in Schedule G.

8. Recoveries and Causes of Action. The Schedules and Statements may not include a complete list of causes of action the Debtors possess as of the Petition Date, or at any point thereafter. Regardless of the recoveries and causes of action listed, nothing contained in the Global Notes or the Schedules and Statements shall constitute a waiver of rights with respect to these Chapter 11 cases and specifically with respect to any issues involving substantive consolidation, equitable subordination, or causes of action arising under the provisions of Chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers.

9. Schedule D. Except as otherwise agreed pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any of the Debtors. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization or structure of any such transaction, or any

document or instrument (including, without limitation, any inter-company agreement) related to such creditor's claim. In certain instances, one of the Debtors may be a co-obligor, co-mortgagor or guarantor with respect to scheduled claims of the another of the Debtors, and no claim set forth on Schedule D of any of the Debtors is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by another entity. The descriptions provided in Schedule D are intended only to be a summary, do not constitute an admission, and are not dispositive for any purpose. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any lien. Nothing in the Global Notes or the Schedules and Statements shall be deemed to be an admission, modification, or interpretation of or relating to such agreements.

10. Schedule E. Schedule E includes claims of various taxing authorities to which the Debtors may potentially be liable. But certain of such claims may be subject to ongoing audits, and the Debtors are otherwise unable to determine with certainty the amount of some, if not all, of the claims listed on Schedule E. The Debtors reserve their right to assert that any claim listed on Schedule E does not constitute an unsecured priority claim under the Bankruptcy Code.

11. Schedule F. The claims listed on Schedule F were incurred or arose on various dates. A determination of each date upon which each claim listed on Schedule F was incurred or arose would be unduly burdensome and cost prohibitive. Accordingly, dates are not included in the accompanying Schedule F. All claims listed on Schedule F were incurred prior to the Petition Date. The Debtors reserve the right to dispute, or to assert offsets or defenses to, any claim reflected on Schedule F as to amount, liability, or classification or to otherwise subsequently designate any claims as disputed, contingent, or unliquidated. The Debtors also reserve the right to amend or supplement Schedule F as necessary or appropriate.

12. Schedule G. The business of the Debtors is complex. While commercially reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or over-inclusions may have occurred.

The Debtors have attempted to provide complete lists of all agreements that might be considered to be executory contracts. The Debtors are continuing to review their records and will supplement the Schedules and Statements if additional agreements that may constitute executory contracts are identified. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G, or to amend or supplement such Schedule as necessary. The contracts, agreements, and leases listed on Schedule G may not have taken effect or be binding on any party and may have expired, or been terminated, modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, or other documents, instruments, or agreements which may not be listed therein.

The Debtors reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, document, or instrument. Certain executory agreements may not have been memorialized in writing and could be subject to dispute. Generally, executory agreements that are oral in nature have not been included in Schedule G.

The Debtors reserve any and all rights to assume, assign, or reject their executory contracts or unexpired leases and nothing in the Schedules and Statements shall in any way be deemed an admission or election to do so, or waive or limit the Debtors' right to do so.

13. Schedule H. The Debtors may not have identified certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, or other such agreements. Further, certain of the guarantees reflected on Schedule H may have expired or may no longer be enforceable. Thus, the Debtors reserve their right to amend Schedule H to the extent that additional guarantees are identified or such guarantees are discovered to have expired or to be unenforceable.

14. Claims Paid Pursuant to Court Orders. Certain of the Schedules and Statements list creditors and set forth the Debtors' estimate of the claims of creditors as of the Petition Date. The Bankruptcy Court has authorized but not obligated the Debtors to pay various pre-petition claims, including claims of certain vendors and/or employees. Accordingly, the actual unpaid claims of creditors that may be allowed in these cases may differ from the amounts set forth in the Schedules and Statements.

15. Litigation. The Debtors have made commercially reasonable efforts to record litigation and regulatory actions in the Schedules and Statements of the Debtor that is party to the action. The Debtors have excluded details relating to certain claims for which litigation has not yet been commenced.

16. Setoffs. The Debtors and their vendors may setoff mutual obligations in the ordinary course of business and pursuant to trade terms agreed upon by the parties. These setoffs are consistent with the ordinary course of business in the Debtors' industry. Therefore, such ordinary course setoffs are excluded from the Debtors' response to Statement Question 13.

Questions 1-16 are to be completed by all debtors. Debtors that are or have been in business, as defined below, also must complete Questions 17-25. If the answer to any question is "None," or the question is not applicable, mark the box labeled "None."
